

Internship - Operations

Internship / Munich (Isartor) / as of now

NELLO

nello simplifies urban life. We do that by enabling keyless access for residents and service providers. We are a strong TUM / CDTM / INSEAD team of 15 with VC funding of EUR 2.5m (BMW, KPN Ventures and SOSV).

YOUR ROLE

You will be responsible for process optimizations, analytics, business development support and accounting support. You will work in close relationship with one of the managing directors and founders.

YOUR RESPONSIBILITIES

- Improve processes
- Provide stakeholders with analytics insights
- Create presentations
- Support the co-founders in various tasks

YOUR QUALIFICATIONS

- You are a high-caliber candidate from a leading university and want to have an impact
- You are an open person who likes to interact with people
- You are fluent in German and English

JOIN US

- Join an excellent team of entrepreneurs and engineers – currently we are team of 11
- Our nice office is right next to Isartor – free Nespresso, tea, fruits and cookies included
- Weekly table football championship
- Flat hierarchies and big fun factor
- 1,500 Euros per month

Just send us your CV incl. availability to: daniel@nello.io.
